I never said that I would give you silver or gold  
Or that you would never feel the fire or shiver in the cold  
But I did say you'd never walk through this world alone (Hmm)  
And I did say, don't make this world your home

I never said that fear wouldn't find you in the night  
Or that loneliness was something you'd never have to fight  
But I did say I'd be right there by your side  
And I did say I'll always help you fight

'Cause you know I made a promise that I intend to keep  
My grace will be sufficient in every time of need  
And my love will be the anchor that you can hold onto  
This is the promise, this is the promise I made to you

I never said that friends would never turn their backs on you  
Or that the world around you wouldn't see you as a fool  
But I did say like me you'll surely be despised  
And I did say my ways confound the wise

I didn't say you'd never taste the bitter kiss of death  
Or have to walk through chilly Jordan to enter into rest  
But I did say I'd be waiting right on the other side (Yeah, yeah)  
And I did say I'll dry every tear you cry

'Cause you know I made a promise that I've prepared a place  
And some day sooner than you think you'll see me face to face  
And you'll sing with the angels and a countless multitude  
This is the promise, this is the promise I've made to you

So just keep on walkin', don't turn to the left or right  
And in the midst of darkness, let this be your light  
That hell can't separate us and you're gonna make it through  
This is the promise, this is the promise I made to you
